WORK SESSION ITEM           

**TO:** Mayor and City Council

**FROM:** Director of Public Works

**SUBJECT:** Sidewalk Rehabilitation and Wheelchair Ramps: Approval of Plans and Specifications and Call for Bids

### RECOMMENDATION:

It is recommended that the City Council adopt the attached resolution that approves the plans and specifications for the combined Sidewalk Rehabilitation Program and Wheelchair Ramps 2003-04 projects and calls for bids to be received on February 03, 2004.

### BACKGROUND:

On October 10, 2000, the City Council approved a new Sidewalk Rehabilitation Policy. Under this new policy, the City focuses repairs on the worst block faces by district, being sensitive to more heavily traveled pedestrian ways. Property owners who choose not to make the repairs themselves pay a flat fee of \$425 per single-family property.

This year's program will repair damaged sidewalks in the Calaroga Area, District 7, and the Santa Clara Area, District 10 (see Exhibits A & B). The project also includes the installation of handicap access ramps; repair of offset or raised concrete curb and gutter; tree trimming and root pruning of existing trees, and planting of new trees. Letters were mailed to the property owners whose properties are located along the affected block faces. A total of 193 separate locations of damaged sidewalk will be repaired, and a total of 92 wheelchair ramps will be constructed.

The project is categorically exempt under the California Environmental Quality Act section that covers repair or minor alterations of existing streets, sidewalks, and gutters.

### PROJECT COST:

Contract Construction	\$ 690,000
Design & Administration	65,000
Construction Survey & Inspection	70,000
Total Project Costs	<u>\$ 825,000</u>

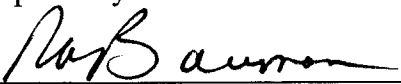

**FUNDING:**

The 2003-04 Capital Improvement Program (CIP) includes \$1,000,000 in the Streets System Improvement Fund for this year's Sidewalk Rehabilitation Program; property owners who are in the program will reimburse approximately \$82,000. The 2003-04 CIP also includes \$120,000 in the Gas Tax Fund for this year's Wheelchair Ramp construction project; Transportation Development Act Funds will reimburse approximately \$84,000.
